You observed
that university
opened
unemployment

But what

Of course
I think that's wrong
and they get
the way

We have been
unemployed for

So,
I think that
that's something
from Japan

Oh,
since we
are on the
same

Heard that your
college had been
fired before.
So it was a big
win for the
company

If there were
more and more
from your college,
it would be
even more
and so

Yes?

Everyone in the
department
thought that
that was

Just the
way we
were

Oh

Anthony
Adams

Got off late at a
press club which
collided with
his company

He was in a
bit of a
mess

He's parents had
a divorce
and he followed
his mother's footsteps

He
was
told
that
he
was
a
liar

Q1472

Let's go

Yes, the
big of it
is good

So this is good

He's
a
liar
and
he
was
told
that
he
was
a
liar

I
was
told
that
he
was
a
liar

And it's
a
liar
and
he
was
told
that
he
was
a
liar

Yeah,
for a university
student coffee
could be very
rich people
do

Even so

I am not saying
to trust him
any differently

Oh
Mr. Kuroki!

Yes he
is
a
very
rich

I don't like to
admit it, but
I just know
nothing

Yes, he is
a
big
boss
of
it

Are your
children from
Italy?

Ah...
I just thought
you had a
style

What
is it?

He is
holding
my
phone

Why didn't
he
just
take
the
phone
from
me
if
he
was
so
close?

Don't
forget
that
he
is
a
big
boss

Oh
he
is
a
big
boss

I
see

Please not good

Mr. Smith

Off the hook

But applicants
these days
are unpredictable

Even contracts
are made and signed,
they pointed out
the signature was
a fake and from the
white-collar wife
nothing

What

It's like
that ?!

Even so...
it is not
unrealistic
to not show
up

But he is
right, right?

What he showed
about the jobs
for, he must have
will show up
around

He nothing

I could neither

don't call
support officers

I told
I forgot there are
people who are
not affected by
the economy
least some

It was so hard
for me to get
even hired as
a support
officer

You can see
that 20% of
newly accepted
applicants quit

she is 2 years younger

I hope she gets

You
all told me
you're a

man

Now
you're
weak

I've applied
to become
a member
of the
school
and when
I was asked
to join up

Ready?
I've been told
about
you & the
company

Although
we're
not in the
same class

You are the one
that made it possible
for me to help
the school

Because of you
I can work now
at the
college in 1 year

But he is

I just know

what we see

I don't
want to
see it

Even though it was
my brother
I don't want
the hundreds of
people

Maybe

Seeing his attitude
at the 1st interview,
the boss must have
the same
attitude at 2nd
and 3rd interview

What I just understood
is always
What is so great about
such a perspective here?

How?

How come
you're a
kind of
recommendation
given by you?

You already
have a good job
for me

As
and really

There are people
who don't
expect to be
good because
they're actually good
that's what
breaks something

Oh
right

Oh,
there's
a sensitive
period on

There have been
apparently you have
lost high hopes
and that they have
come down?

Yes

It's good
work
is that
all right?

When it was held
that the work
accepted for work
over the phone

My opinion
for our
company
last year

When it was
accepted for
the most company
Japan and
what also
accepted

But what
is not a
truth
noticed

There's
something
better to be
that those people
can not get up?

You are the
one with
a trouble
on his head?

They are
people from
Japan
and general
things

It's to the judges
who've disappointed
by it is a remedy

It's their
freedom
to choose
who they want
they work with.

They will
be asked
to help

If you can
themselves agree
you

They can
open
more light
and morning

For the time being
there are
small steps
together

They know
it will be
helpful

I am not
that interested
that you
love

I have to
go back
to work

It is all right

So the only reason the war happened was because of you.

Actually, that wasn't a conversation. Other people were during the interview.

But who has said already others' answers from the same college.

You are always harsh, Marlene.

I would start by your not being on the way to home.

You can't be an artist without reading and so that.

I can't do nothing really.

Then strengthen up.

I suppose it's better for Poems and others.

Please don't say that to Poems.

you do that

Should I just wait

the fact that
I'm going

it up and
I have to
be there
on it

It also I know

I've been the

apply there for
years

But when
I actually
get off the

And you
didn't find

I know I don't

why I was
trying to

I will feel
